Hi my name is Laura Birtwell and I would like to welcome you to Sea Dragon Giftware, the home of Personalised and Unique Sand Etched Gifts.

All Sea Dragon Giftware products are handcrafted by myself using a specialised sand etching/sand blasting/engraving process NOT simply using laser engraved images.

#### Font Book Instructions:

- 1: Browse through the whole font book.
- 2: Snapshot or write down any fonts that you like.
- 3: Choose your favourite fonts,  
(I usually ask for 3)  
these can also include different fonts for individual parts of your design.
- 4: I will then create your unique design with your chosen fonts for you to view.
- 5: Inform me of your final design choice and I will then confirm and complete your personalised order.

NOTE: If you are unhappy with the final design choices, please always let me know and we can easily start the process again until you are 100% happy with your personalised design.

I take the time to ensure beautiful and unique products are created with you each and every time.

For further information please simply contact me via the contact information on the front page of this font book.

I look forward to helping you design your unique gift from the heart.
